Subject: [EXTERNAL] \$1.27B Auto Parts Indirect Settlement - Late Claim Submissions

Time Sensitive:

Late claims are still being accepted in the **Automobile/Automotive Parts Class Action Settlement**.

If you/your organization purchased and/or leased new *Automobiles and/or Automotive Parts* on or after **January 1, 1990, you may be entitled to participate in the approximate **\$1.27 Billion** recovered in indirect purchaser class action settlements.

Act now to submit an Automobile/Auto Parts claim (late claims are subject to final court approval).

Attached is information about the **Automobile/Automotive Parts** and several other **Settlement Recovery Opportunities** that we are **monitoring currently** for your reference.

I have attached summaries of the cases and an authorization to have **FRS** manage your claim(s) in the settlement(s).

Please contact me if there are any questions about your claims. Otherwise, we can submit your organization's Claim(s) as soon as we receive the signed Authorization back from you (individual settlement Claims Authorization Agreements available upon request).

Best regards,

Stephen Madrit

Financial Recovery Strategies (FRS) is a third-party class action settlement claims recovery consulting firm; we are not class counsel or a claims administrator. Class members may always file claims on their own without retaining FRS, and may contact class counsel and the claims administrator for information about a settlement and for claims filing assistance. FRS, if retained, works on an agreed-upon contingent commission basis.
